Have you heard of one that goes by a nickname, Angel ?
Angel ?
Yes.
Have you ?

I encountered a good one while working
I've visited all major hacking communities. No one knew him. I think he's new to this.
No, I have not And I wouldn't bother with one that has such a nickname.
So, you've found a new idol to chase, huh
Heh, you've got me.
What happens to Austin now ?
Ah I don't watch WWE anymore.
JANIMES.COM

You've been into it for many years. I am going to miss it.
I am not going to watch it anymore than.
Sean !
But they aren't fun to me really What I enjoyed was -
You don't have to do what I do Watch WWE or go for baseball games.
You have enough skills to win in a hacking contest as well
Please don't make it sound that you have to do what I do.
The time I spent with you while doing such.

Let me decipher what he is trying to say
Amy ?!
What he means is that ~
That's an out ?! It's safe, SAFE ! I tell you that it's SAFE ! I will sue !
This freedraw will decide fate of this game
Hmm

How come ?
What do you expect me to do ? Go on a date with Pilip ?

What ? Why date ? You two have been hanging out together like friends so far.

So, he said samething
Shi

Stop relaying what I say about him to him. It's not doing any good
Besides, I am not really sure what I feel, either

You are making me harder and harder to see him

A lesbian ?

Hey Shi !

Were you three studying?
Yes, three languages.
That could be fun. I guess it's quite easy to teach each other
Not really, you know my Korean is a little rusty
Right.
Here -
Well, I guess you are right.

I've been hanging out with you for a while now and I still –
It's alright
As long as you can find peace of mind while being with me,
You can be as selfish as you want
It was me who meddled in claiming that I'd help you forget.
.. I am so selfish

I'd prefer that you smile rather than anything else anyway —
Though please don't make comments like "brother" That's like restricting yourself

These who have had only
light in their lives
would never know ..
The joy of having
a small beam of light...
In complete darkness ...

Okay

That sounds much better !
Thanks.

I heard that the cell phone model has gone missing and the contract is about to be cancelled ?! Could I take it over ?

I was looking at you...
Don't be stupid !
Let's hurry It's getting crowded.

Just being with you makes me my heart race.
What about you ?
What ?
Why do you like me ?

You are comical
What ?!
That was a comical response to a comical question.
What is your true intention for asking such a question ?

Does Ju Hyong still bother you ?
No.
"What would you know when you have it so easy ?! "
I recalled what she said.
She said in plural so I assume the other girl is the one from cell phone
I wonder who she was — whom Robin couldn't get closer ...
We
Now this is just silly ...
Now I am not bothered by Ju Hyong at all and am bothered by some unknown girl who isn't in Korea ...
are a couple right — ?

Nope.
... What ?
Being a couple involves something like that.
They have been going at it for 20 minutes now
Ah. I envy them
P. pervert !
I envy them.
I am leaving !
I envy them.

When are your parents coming back ?
They will come back riding a hurricane in a few months.
Hurricane?
Hey, since we are here, why don't we meet your father You said his shop is nearby
Sure.
킥 킥
?
This is going to be interesting ~

Uh.. not today, I guess.
That old women ..
Huh ? Why not ?
Let me take you home.
I just don't want to. I will call you later. I am leaving
You don't need to
It's you, Robin !
Bro !
Going home ? Why don't you have tea.
Sure.

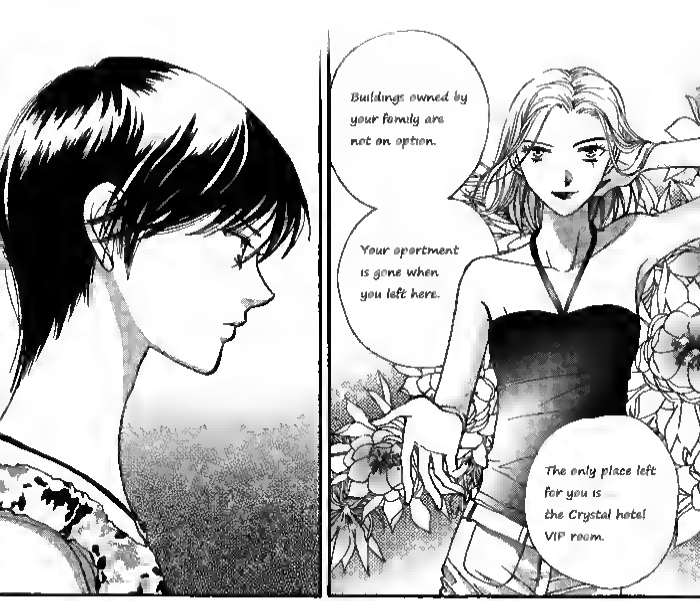
JANIMES.COM

Ah...
I thought he looked familiar ...
!!!
Guys like him stand out even by doing nothing
This is my first time seeing a celebrity in this area.
Anyway, Seonbae I came to ask you to look after this guy here.

Look after him ?
Well, he ran away from home in Japan. so —
Stop !
Ran away ?
Who said I needed help ?

Why did you run away from home ?
And you came from Japan ? That's so far ...
Have you contacted your parents yet ?

Did I do something wrong ?
I am leaving
And where might you be going ?



Buildings owned by your family are not an option.
Your apartment is gone when you left here.
The only place left for you is the Crystal hotel VIP room.

VIP룸?

You mean to go there really ?

It's better than here at least.
Don't joke. You were planning to be alone in the first place
I can tell and I am not going to let you do that
How about my home ?

Only I and my cousin are staying at the moment
What ? You can really do that, Robin ?
That's good news ! What do you say ?
No, thanks.
JANIMES.COM

Hey !
What did you come to me for then ?
You aren't going to have anyone around you if you keep refusing everyone !
Anyone who want to look and act nice can offer help to anyone. Those may be good will but they weight little.
I do not trust such

Well, I can tell what kind of life the prince has had right there.
How pitiful...
I am leaving too
Oh, alright.
Hey.

How about 50% of what you pay at the hotel ?
Or rather .. why don't you stay ? You are making it harder for no reason.
Sometimes when someone offers you help they don't mean any harm.
It's really alright Here is my number Call me if you change your mind.
Why are you doing this ?
You don't even me at all

See ?
I am worried about you
I knew you can tell which is fake help and which is for real
You are just not used to accept help, that is all

I feel so dizzy

Be thankful that I bothered to bring one to you
Oh, yeah ? Thanks a lot for NOTHING !
Sorry, didn't know.
Out of all, why did you have to bring a broken one ?!
Liar !
Hurry up. Someone might call home.
Wha ? Wha ?
Nope.
He resembled a lot like you when you came here for the first time years ago.
What did I do ? Don't make things up !
You have no idea who I met today
Just tell me !
Let's say .. a lost sheep ?
What ?

Well, it's ...
You've been standing here all the time ?!

Don't tell me that you didn't know where to buy an umbrella from ?
Here, take this.
"Just not used to accepting help"
Not that you can't accept it
I was about to give you a call

Take a shower first. You are soaking wet.
What ? You are feeling jealous from someone who looks alike ?
I was told that he resembles Mong's boyfriend who she can't seem to forget.
Well, I'd feel better if I can be jealous.
Out of all people why him ?
What ?

JANIMES.COM

Besides, feeling jealous about her boyfriend makes me feel foolish because, from what I can tell, they're pretty much a bullet proof couple.
It's not him anyway. Forget about him and go get changed.
Uncle !
What?
I don't think you should worry about me now.

Can I kiss you ?
Huh ? Uh— sure if you want.

Are you really okay with this ?
What ?
Why ?
That's ...
a pretty boy ..
Uh -

Damn it !
Damn it !
She said everyone was a girl !
I was cheated !
What ?
You are disappointed that it was just a dream, so you don't care about the kiss ?

He didn't seem to mind too much though.
Let's be honest Did you like it ?
What ?!
Ren did that to me so many times. I am used to it

It is rude to reject like that !
We have a whole pot of it !
You are required to eat all !
Eat it.
Hey !
Eat it when you feel like.
You have a problem with what I said ?!

1 His reactions were weird.

Uncle,
why does it look
like he is suffering ?
It looks like his
fever is raising after
he took a shower
Woke him up and
take him to a bed.
No !
Kick him out
We don't
even know
him
You are not thinking
about him resembling
Mong's boyfriend,
are you ?
O..., o, of course,
not !
What is bothering
you then ?
It's been less than
24 hours it's too
early to judge him.
Hmph, people
like him are
soooo obvious

Perhaps, but you have no right to judge him
For now, he is "a lost sheep" to us and we take care of him. That is all
Fine
He's a lost sheep
Hey, get up and go to a bed
Then be a good sheep
Before that put these clothes of yours into a laundering machine

And don't use two towels after you take a shower. This isn't your home.
You are in my home so obey rules of this house.
2. He was unexpectedly cooperative.
He's a weakling ?

Crush
Huh?
What—
Is this yours ?

Crap ,
it must be
pretty
important thing
Give it back.
I will fix it.
Give it back !

What's going on ?!
Did you hit him ?!

And it seems you are even allergic to mandrake ?
I will be fine soon.
Are you joking ?! Don't eat it ever again !

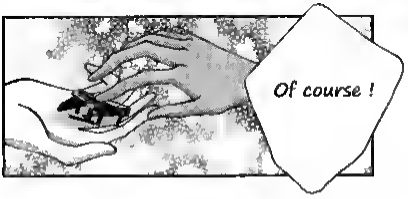
I was taken here when I was a kid.
I am sorry ..
Do you know what my uncle, Robin, told me ?

I don't think I was at fault at that time.
But there was no reason that he should have apologized either
Then I realized that there was no easy way to refuse help.
Just be honest
Edropt
It was me who put mandrake into your soup, but I don't feel that I should apologize. You weren't being honest to begin with anyway
Well, consider what I've told you as a piece of valuable advice.

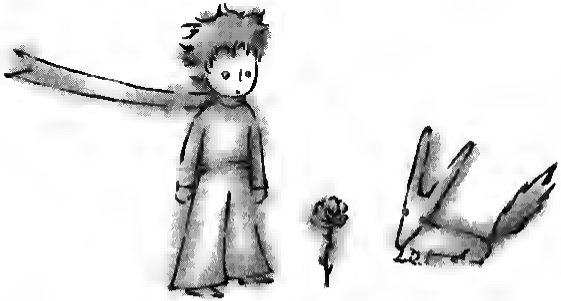
Hey.
This... I tried to fix it alone, but it's getting worse
Can you help me ?

24 hours is too short to
get to know each other

But what's important is -



He felt an urge to tame the beast



Like static electricity you often receive
while wearing a wool sweater

So, you spent the whole night to repair that ?
What do you think it means to ask for help uncle ?
And coming from a guy like him ...
That means he has put his trust on me !
My bed isn't comfortable enough. Can you add more sheets ?
Well he is speaking his mind more openly now but...

I need water for pills.
Sure.
I need more soup
Of course.
Clean there.
Yes, sir
Why am I feeling that it is you who is being tamed ?
I need water
Need more soup
Clean.
Damn it... Something's not right. I am so tired...
You think ?
Hey
What now ?!

Or Ri-chan.
(How Meng calls him)

The fox said. "Being tamed means establishing a relationship"

What's your name? It's Ri ... something.

Call me however you like.

Either Kitsuki or Mizuhara.

God damn it ...

JANIMES.COM

Hey, wait !

Don't tell Mang about him.
That was what I was going to say !
... Why ?
Similar face and similar name...
I can't afford a guy like him enter Mong's life when I am trying to squeez in.
It's not like he is going to live at home forever I don't want rumors spread that a celebrity is living at home

I see ...
Why don't we let them pass by each other ?
What ? You sound as if you want them to meet each other
That "Ri-chan" is Mong's "Ri-chan" you idiot !

To be honest, all these weird posters in your room distract me too much !

Ahoh ~ yes. These "angel" posters are your symbol of hero ? I guess you do have something you look up to ?
It's the same as Jong Pillip who gets loads of texts from girls but yet still looks at other girls

Is it so wrong to like someone It sounds certainly humane than wershipping someone you've never seen.

Being able to confront someone once means one can do it again.

And by doing so, buried memories and feelings may be revived.

I thought you did not tell her because you cared about Meng
Well

I personally don't care what happens to Fillip
I just had a feeling that Meng would only be hurt by confronting Ritsuki.
And I suppose his remark about your hero bothered you.
Seon—, why are you talking like that?
I told you that I simply needed something to replace Austin.

What if you get a chance to meet ?
What ?
Not long ago, I found an interesting username in a hacking tournament.
'Angel'
Don't you want to see if he is the real one ?
Alright ! I will join !

Can you understand this, Jang Pillip ?

Those who are fated to meet they are bound to meet eventually in a way or another ..

Here...

Ahah, Ritsuki resembles Mong's boyfriend I was told
What, really ?!

I was trying to make him give up ...
Maybe, it backfired ... ?

Oh
Did you get the drink?
You can be as selfish as you want to me.
Because I'd rather want you to smile.
But ... why I said that to you was also because I wanted to smile as well!
Perhaps, I am being very selfish.
...Huh?
But what I told you before was what I felt truly.

Your red string (String of fate by Japanese folklore) is not loose at all
In fact, I think I see it being tightened more than ever
I do not want to feel defeated by an invisible foe. I don't want to feel like this anymore.

Sorry it looks like I have to make a quick trip to home.
There is a guest ...
I will wait ... for your answer

So what then ?
We wait until he gets dumped eventually ?
I did give Ritsuki a chance. It was him who didn't make any contact.
I couldn't have expected that he would end up staying at your home

Well, if you told Meng like you should have Phillip wouldn't have gone that far and create this mess
Don't speak like he is going to be dumped no matter what
It's Meng who has to choose, you know
Argh ... gee .., what to do now ...
You don't know how stingy they were from the very beginning
Once they find out... the first thing is bloodbath.
Wait a sec that Ritsuki seems to have a connection with Yakuza or something
It is very possible that Phillip might just disappear from the face of Earth one day soon.
Then... Then...

My grandfather will cut my hair again ... !!!
That's what you are worrying about ?!
You decide whether to tell him or not. I won't tell Meng
Ritsuki can call me if he wants.
Meng was truly devastated when they broke up. Even when she left Japan after giving up everything, she wasn't really devastated.
This is obviously the most important thing for Meng. If he is not going to show the least bit of courage, I am not going to help him.

But ... what if I tell them and you don't ... ? What's gonna happen ?
Well, it will be their problem ... I think ...
You think ... what ?
There might really be ..... bloodbath
Don't agree with me !!!

It is his problem as well as Ritsuki's.
